2023-2024 Community Violence Intervention and Prevention: Award Period July 1, 2023 – December 31, 2024

Agency	Contact Person	Purpose	County Served
Boys & Girls Club of Salem, Marion and Polk Counties	Anne Carlson 1395 Summer St NE Salem Oregon 97301 Website: https://bgc-salem.org/	<p>These funds will supplement the funding that supports The Club’s programs, which Boys & Girls Club of America (BGCA) research has shown to prevent community violence. The afterschool programs are heavily dependent on revenue from individual donors but with the pandemic, revenue from individual donors decreased significantly. Securing ARPA funds allows for programming sustainability while private revenue streams are rebuilt.</p> <p>Total Grant Award Amount: \$237,196.41</p>	Marion County
Boys & Girls Club of the Umpqua Valley	Summer Baranko 1144 NE Cedar St Roseburg Oregon 97470 Website: https://bgcuv.org/	<p>Funds would first be used to remodel the bathrooms into safe places for children. While the solution may seem simple, the cost of remodeling a traditional gang-style restroom is quite costly and challenging for the Club with a non-profit budget. The Club has obtained the pro-bono services of a local architect to draft potential remodel options for the Club communal style restrooms. This will involve the remodel of both the boys’ and girls’ communal restrooms into safer, DEI restrooms. Additionally, funds will be used to purchase an additional van that would allow us to better serve low-income children with reliable transportation and to provide additional learning opportunities.</p> <p>Total Grant Award Amount: \$179,352.86</p>	Douglas County
Boys & Girls Clubs of Bend	Alice Ivie 500 NW Wall St Bend Oregon 97703 Website: https://bgcbend.org/	<p>ARPA’s Community Violence Intervention and Prevention Funds would help in broadening and deepening the impact on school-aged youth by developing a scope and sequence of professional development for staff and a scope and sequence of experiences for youth that will ensure high-quality engagement in safe spaces for 50 hours each week during the summer.</p> <p>Total Grant Award Amount: \$240,928.87</p>	Deschutes County
Boys & Girls Clubs of Emerald Valley	Matt Sorensen 1545 W 22nd Avenue Eugene Oregon 97405 Website: https://www.bgcev.org/	<p>B&G Clubs of Emerald Valley (Eugene) will use funds to enhance and expand current community violence intervention and prevention efforts. Funds will allow for increased transportation safety for 110 targeted youth, enhance programming for 350 targeted youth struggling with ACEs, navigating poverty, historically marginalized, and other social inequities.</p> <p>Total Grant Award Amount: \$219,638.30</p>	Lane County

2023-2024 Community Violence Intervention and Prevention: Award Period July 1, 2023 – December 31, 2024

Agency	Contact Person	Purpose	County Served
Boys & Girls Clubs of Western Lane County	Vanessa Buss PO Box 739 Florence, Oregon 97439 Website: https://bgcwlcl.org/	They will leverage the ARPA Community Violence Intervention and Prevention funds to reach more underserved youth in need through mentoring, deepen their impact to prevent youth delinquency with enriching after-school programs with Social Emotional curriculum (SMART Moves) and evidence-based Positive Action (now offered daily) and work with the Western Lane Crisis Response (WLCR) team to support youth navigating adverse childhood experiences, violence or trauma. Total Grant Award Amount: \$125,000	Lane County
Boys & Girls Clubs of Western Treasure Valley	Dana Castellani PO Box 876 Ontario, Oregon 97914 Website: https://bgcwtv.org/	Their Ontario facility is only able to hold 150 youth: 100 in 1st-6th grade and 50 in 7th-12th grade. With over 2,000 students in the Ontario School District, and with the high child poverty rate and the number of kids in foster care in our area (nearly four times the rate compared to the state average), they know the need for our programs and services is much higher than they can provide. They are looking for creative ways to expand our services so that more youth can benefit. They have been visiting with other community partners about additional space and exploring ways to bring in additional outside experts to educate and inspire Club members. Total Grant Award Amount: \$242,279.07	Malheur County
Building Blocks 2 Success	Antonio Jackson PO Box 13441 Portland Oregon 97213 Website: https://www.bb2s.org/	ARPA Community Violence Intervention and Prevention Funds will support Building Blocks 2 Success (BB2S) in providing safe spaces for vulnerable youth to create, grow, and thrive in STEM programs and mitigate the impact of community violence in Portland. The funding will primarily support staff for their two existing programs: the LEGO Robotics program and the Medical Pathways Exposure program. An additional role of school site coordinator will be added to support and recruit students at Faubion School, Rosa Parks Elementary School, and De La Salle North Catholic High School. Total Grant Award Amount: \$243,354.24	Multnomah County

2023-2024 Community Violence Intervention and Prevention: Award Period July 1, 2023 – December 31, 2024

Agency	Contact Person	Purpose	County Served
Building Healthy Families	Maria Weer 207 NE Park St Enterprise Oregon 97828 Website: https://buildinghealthyfamilies.us/	Building Healthy Families has increased staffing, and the training of staff is ongoing to ensure that Building Healthy Families is implementing the best strategies to promote positive outcomes. Funding of this grant will allow Building Healthy Families to provide services per the requested need in the community. Attendance at programs will allow the delivery of important curriculum and connection with youth. Total Grant Award Amount: \$243,364.24	Wallowa County
CASA - Voices for Children	Kari Pinard 129 NW 4th St #B Corvallis, Oregon 97330 Website: https://www.casa-vfc.org/	ARPA Community Violence Intervention and Prevention Funds would allow CASA-VFC to achieve full implementation of each of their CVI-related pilot programs. We have been able to successfully launch some of these programs' core activities with individual advocates and their case children, but due to the impacts of COVID-19 and expanding the service area to include Lincoln County in Summer 2022, their staff has been at capacity, and they have not had the bandwidth to achieve large-scale implementation of this important programming. These funds would allow them to recruit, train, and hire the additional staff needed to expand each of these programs to their full potential and maximize their positive impact on the children and youth they serve. Total Grant Award Amount: \$243,254.16	Benton County
Casa Latinos Unidos	Ricardo Contreras 1435 SW 35th Street Corvallis Oregon 97333 Website: https://casalatinosunidos.org/	Casa Latinos Unidos will use funds to support to implement the Convivencia program. Convivencia is the Spanish language word that means coexistence. This includes the development a comprehensive strategy of violence prevention and intervention through two main sets of activities: 1) enhancement of the Youth en Accción, the Comité de Lideres, and the Breathing and Imagination projects, articulating them around the purpose of facilitating in youth and adults from the Latinx community the capacity to identify issues of concern, design and propose to stakeholders actions to prevent community violence, and build resilience to address adversity; and 2) strengthen the capacity of our wraparound program to support individuals of the Latinx community affected by violence. Total Grant Award Amount: \$155,840.75	Benton County

2023-2024 Community Violence Intervention and Prevention: Award Period July 1, 2023 – December 31, 2024

Agency	Contact Person	Purpose	County Served
Catholic Community Services of the Mid-Willamette Valley and Central Coast	Eileen Virden 3737 Portland Rd NE Salem, Oregon 97301 Website: https://ccswv.org/	<p>In keeping with the philosophy that this funding is meant to assist programs that will continue beyond the scope of this grant, CCS has identified staffing as the area of greatest need for these funds. Currently, 70% of the Transitional Living Community (TLC) is funded through Oregon Department of Human Services (ODHS) Child Welfare SPRF and Self-Sufficiency JOBS/TANF funds. The additional 30% of the budget is dependent on the availability of additional CCS and donor funds. Funds from the ARPA CVI grant will be used to fully fund salaries for current staff and enable us to fill open positions.</p> <p>Total Grant Award Amount: \$119,499.00</p>	Marion County
Center for Dialogue and Resolution	Miles Mabray 1400 Cross Street Eugene, Oregon 97402 Website: https://lanecdr.org/	<p>CDR will reduce and prevent community violence by expanding its current program offerings using evidence-based approaches of other successful programs across the country. At their core, these trauma-informed programs are centered on mediation, de-escalation, facilitation, restorative justice, community engagement, and community training and education services.</p> <p>Total Grant Award Amount: \$205,461.05</p>	Lane County
Center for Trauma Support Services	Erica Bestpitch P.O. Box 14925 Portland, OR 97293 Website: https://www.thectss.org/	<p>Funds from this grant program will provide capacity to continue and expand current victim/survivor support programming while offering trauma-informed services to community partners who have expertise in areas of human development related to technical skills and career readiness, but less experience mitigating mental health and interpersonal barriers to success.</p> <p>Total Grant Award Amount: \$243,364.24</p>	Multnomah County
Citizens for Safe Schools	Robyn Pfeifer 1845 Esplanade Ave Klamath Falls, OR 97601 Website: https://citizensforsafeschools.org/	<p>ARPA Community Violence Intervention Funds will be used to continue to operate, grow, and expand youth mentoring programs. ARPA CVI funds will be used to dedicate more staff time to two specific violence prevention programs, Kids in the Middle and Peer Mentoring Circles, and focus on growing these mentoring programs so that even more youth in our community can be served. This includes focusing on the growth of the Kids in the Middle mentoring program and focusing on community violence intervention strategies on both Kids in the Middle and Peer Mentoring Circles.</p> <p>Total Grant Award Amount: \$241,257.69</p>	Klamath County

Hearts with a Mission	Sharon Rush 711 Medford Center #334 Medford Oregon 97504 Website: https://www.helpoutreachprogram.org	ARPA funds will be used for the purchase of two needed vehicles (T1), and adding two Case Managers (T2), increasing capacity for community outreach for this population so vulnerable to community violence. The vehicles are also needed for transporting clients to medical and mental health appointments, to educational programs, field trips and outings, job training and interviews. The communities served are rural and high poverty neighborhoods isolated from needed services. It is challenging for those who are at-risk, facing crisis and exposed to community violence to access the services they need most. Total Grant Award Fund: \$233,364.24	Jackson County
Highland Haven	Lovemore Hakuna 7600 NE Gilsan St Portland Oregon 92113 Website: https://www.thehighlandhaven.org/	The ARPA funds will directly support three ongoing programs: HYLA, HAARP, and HHPYA. First, they will utilize the funds for mentorship, violence intervention and prevention under the HYLA umbrella with after school and summer 2023 and 2024 programs. These programs are fully funded by grants and with the current uncertainty state funding for Summer Programs, ARPA funds will be a huge help to support 2023 Summer Program. Total Grant Award Fund: \$243,364.24	Multnomah County
HOLLA	Annie Morse 11124 NE Halsey St PMB 6 Portland Oregon 97220 Website: https://www.hollamentors.org/	ARPA Community Violence Intervention and Prevention Funds will support the growing program staff in order to strengthen and expand on our community violence intervention and prevention efforts. Specifically, this funding will support the staffing of mentoring programming and help build a strong foundation for HOLLA mentoring with the creation of rigorous metrics, continued education training and updated policy expectations for mentors and staff. That connects the strategy of “connecting youth to caring adults and activities” with the plan to intervene and prevent violence with our youth. Total Grant Award Fund: \$233,680.15	Multnomah County

2023-2024 Community Violence Intervention and Prevention: Award Period July 1, 2023 – December 31, 2024
